WE SPECIALIZE IN RELATIONSHIP AND ABUSE ISSUES

We can help you to better understand your relationships.

- Are you recovering from a "bad" relationship?
- Do you seem to always choose the "wrong" man?
- Do you often think you did "something wrong"?
- Do you believe you can "change" him so he won't abuse you?

Emotional abuse can involve the following behaviors: isolating, blaming, criticizing, undermining, controlling, intimidating and humiliating.
